BUILD YOUR LAWN NOW FOR SPRING

If your Lawn is thin, full of summer grass or needs rebuilding the early fall is the best time to do it. Carefully clean all weeds and debris from the spots intended for seeding. Loosen the soil by raking with a strong rake. Apply a light covering of Rocknoll Soil Conditioner and rake again. Sow your seed and tighten the soil either by rolling or watering.

GRASS SEEDS  
GREEN VISTA. (Sun) A mixture of Blue Grass, Fescue, Red Top, etc. Ideally blended to give the best results for fall sowing. A superb brand reasonably priced. 39c lb.; 5 lbs. for \$1.79.  
FOREST GLEN. (Shade). The best mixture obtainable for fall seeding in the shade. 43c lb.; 5 lbs. for \$2.10

ROCKNOLL SOIL CONDITIONER  
For several years we have been preparing a compost of barnyard manures and plant humus for our greenhouses that we recommend as ideal for all garden uses. Absolutely weed free and odorless. This successful plant food is ground and mixed at our nursery. One sack (over 100 lbs.) treats space 20 x 10, 200 sq. feet.

AT THE NURSERY 97c—5 Sacks for \$4.00  
DELIVERED \$1.50—5 Sacks for \$7.00

COLORFUL ORIENTAL POPPIES

# ROCKNOLL NURSERY

Warren County

Foster, Ohio

# SKUNK LILY

(CROWN IMPERIAL FRITILLARIA)

This early flowering plant is rare in cultivation because its malodorous bulbs are seldom carried by the seed stores. Once in the ground all odor is gone and the beautiful orange flowers are the show of the early April garden. 2-3 ft. high. Hardy.

39¢ each

3 for \$1.10

\$4.00 per doz.

\* \* \* \* \*

DO MOLES AND MICE BOTHER YOUR BULBS?

Narcissus, Scilla, Snowdrops, Lycoris, Fritillaria, Eranthis, Colchicum, Grape Hyacinths, Chionodoxa and most Lilies are poison to rodents. Tulips, Crocus, and Hyacinths need protection.

We have developed a Planting Box that will absolutely protect your bulbs.

Free Information on Request.
